

Andy Bryant (Vice Chair)
Joined Board 2015
Became Vice Chair 2018

I am an EKHA tenant. My background was in sales and financial management. I originally joined EKHA as an area rep, and was quickly asked to join the Board. I am also involved in other voluntary roles with EK Citizens Advice and also Scottish Amateur Football. My particular reason for being on the board is to try and ensure quality at all levels for the tenants and a desire to see more homes built.
