

Gill Hood
Joined Board 2020

I have lived in East Kilbride for almost 40 years so feel like a local!

I started working with East Kilbride Development Corporation in 1993 around the time EKHA was starting. I am passionate about housing and have been privileged to have worked in this field for 36 years, including my time spent at Glasgow City Council before having my children. I retired from the post of Housing Manager for South Lanarkshire Council in August 2019 and joined the Board of EKHA in October 2020.

I am keen to continue to do my bit in helping to promote both social housing and inclusion particularly for the people of East Kilbride.
