

**Jim Meighan**  
**Joined Board 2026**

Married with two children I've lived in East Kilbride since 1986. I've had several careers, Retail Management, Business Consultant, Baptist Minister, Chaplain Robin House (C.H.A.S.), NHS Chaplain (Mental Health) and recently retired as Chaplain to Glasgow Children's Hospital.

I've been an EKHA tenant since 1994 and when the opportunity arose to join the Board, I explored it and was immediately impressed by the team approach. Hopefully, I can contribute and support their ongoing vision to provide the best possible service to its tenants.
