

Maureen Watson
Joined Board 2017
Became EKHA Vice Chair 2018
EKHA Chair from 2020-2025

I joined the EKHA Board as I wanted to give something back to the community that I have grown up in and raised my own family in. I moved here with my parents in 1967 from an old tenement flat in the southside of Glasgow. We loved the smell of the new wood in our home, our back and front gardens and the open countryside across the road. My brothers and I spent many a mucky day as kids playing down in the glen!

I have spent a thirty-year career in social housing and recently retired from the post of Chief Executive of a small charity. I love cats, reading and knitting, which have been useful distractions during these challenging times.
