**Joined Board 2012**

I'm a retired housing professional having worked for over 40 years in this field. I have a Post Graduate Diploma in Housing Studies and was a corporate member of the Chartered Institute of Housing in Scotland. I've lived in East Kilbride for over 30 years and have an interest in ensuring EKHA continues to provide good quality, affordable housing for those in housing need. Being a member of the Board allows me to utilise my housing experience to help EKHA reach its strategic goals.
