

Michael Gallagher (Vice Chair)
Joined Board 2015
Became Vice Chair 2020

I have been a resident of East Kilbride for 34 years and joined the Board to help develop locally controlled access to social housing in East Kilbride, especially in addressing the difficulties faced by young people accessing housing of all tenures in East Kilbride. I had 40 years of experience in operational housing management until my recent retirement. I have an M.Phil. in Housing Studies degree from the University of Glasgow.
